DOC

COMPOSITION: Sauvignon

ALCOHOL: 14.0 %

YIELD: 50 hl/ha

ACID: 6.5 g/l

BOTTLES: 4,000

RESIDUAL SU.: 2.0 g/l

EVERYTHING FLOWS

The Greeks knew it as kinesis: the never-ending flow of the world, the ever-becoming of all things. Light and wind, dancing together with the waters, impress themselves upon the earth that bears the vine that yields the cluster, which in turn is transformed into wine, which gifts us pleasure and beauty. In an instant, chaos returns to pure harmony ... is this what we call happiness?

VINTAGE

A relatively milde winter was followed by a dry March and a dry and warm April, and flowering set in somewhat earlier than usual. There were no long heatwaves in the summer. In spite of this, the head start in the vegetation cycle became shorter and shorter up to the harvest, and the first grapes were harvested at the beginning of September, with the last load reaching the winery on October 8.

VINIFICATION

Twelve hour cold maceration in contact with the skin, fermentation in stainless steel, five months on the fine lees.

LOCATION/SOIL

The Höfl unterm Stein farm is located in Sella, above the village Tramin. Located at an elevation of 1,650 feet, the sandy-limestone soils yield firm-structured wines with superb depth yet at the same time a vivid level of acidity.

TASTING NOTES

Bright yellow. Fine aromas of gooseberry and white flowers combined with exotic fruit and spices. Complex structure and convincing length on the palate, elegant freshness and vibrant, varietal typical acidity.
